Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from What Baptists Should Believe and Practice Orthodoxy and ignorance are not synonymous terms, though the tendency is definitely to consider it so. There is an assumption, on the part of many in the field of education and research, that when one seeks to find light in the field of religion he must dispense with the fundamentals, and must build his premise on the theory that nothing can be known on a basis of experience and revelation, but that all things must be discovered through the process of scientific investigation. No lover of truth ever seeks to discount the value of either science or investigation, but that same person also knows that there is authority in religion which is definite and positive; and no kind of doubtful assumption will destroy his belief in those essential elements of truth which have been given to us by a power which is beyond us. Baptists stand in a very hazardous position with reference to an assumed new intellectual crisis coming out of the war. It is more imaginary than real, but those who think they sense it are insisting that the landmarks be either given up altogether, or so seriously compromised that their influences will be without value. Our age-long and well known position concerning the scriptures as the sole and sufficient rule of faith and practice, is to be genuinely questioned and tested, and our people must know the answers to the questions which are to be insidiously framed and cautiously propounded. In many ways, Baptists are the last segment of believers who are able to point to the scriptures as the basis for all their beliefs and practices. It...
