## AMERICAN SCHOOLS: THE ART OF CREATING A DEMOCRATIC LEARNING COMMUNITY (HARDBACK)

ROWMAN LITTLEFIELD, United States, 2009. Hardback. Condition: New. Language: English . Brand New Book. In American Schools, Sam Chaltain interweaves the leading ideas from the education, business, and scientific communities to outline a framework for leadership that helps educators and organizational leaders create the optimal conditions for transformational change. By pairing a rich theoretical framework with the stories of communities that have, over several years, tried to create more democratic learning communities, Chaltain does what any reader of this book will have to do - provide enough structure to empower people to do their best work, and enough freedom so that each person s inherent creativity can be unleashed.
