DRAWING FOR PRODUCT DESIGN (PAPERBACK)

Laurence King Publishing, United Kingdom, 2012. Paperback. Condition: New. Language: English . Brand New Book. With its tutorial-based approach, this is a practical guide to both hand - and computer-drawn design. Readers will learn to think three-dimensionally and build complex design ideas that are structurally sound and visually clear. The book also illustrates how these basic skills underpin the use of computer-aided design and graphic software. While these applications assist the designer in creating physical products, architectural spaces and virtual...
