Scholastic US, United States, 2017. Hardback. Condition: New. Language: English . Brand New Book. I couldn't believe it. I, Geronimo Stilton, had to travel back in time to save a friend! Professor Paws von Volt needed my help. He had traveled to the past alone to prove that an artifact in the Egyptian Museum was genuine -- and now he was lost in time! My friends and I boarded the professor's newest time machine to go find him, and ended up on a crazy trip through history. We met Cleopatra, Genghis Khan, famous poet Dante, Queen Elizabeth I, and more. It was a fabulous journey! But could we find the professor and make it back to the present?.
