Balboa Press Australia, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Do you want your boys to grow into good men? Do you know how to support your boys on their transition into manhood? Are you ready to help your son become the man he was born to be? In *How a Boy Becomes a Man*, Mark Wadie examines the struggle that boys encounter in their hero's journey to manhood. In our modern-one tainted by abundant technology, mass media, and fatherlessness- Mark suggest that boys are drowning in information yet starving for masculine wisdom. Lost with no clear guidance, many men continue in life as boys in men's bodies. Clinging to myths and hiding behind masks, too many of our boys struggle, lacking the ancient wisdom and support that would enable them to step into a life of connection, meaning and direction. This guidebook is an invaluable tool for you to support and guide your boys as they step into manhood. You'll learn the nuts and bolts needed to create and action your own rite of passage plan, tapping back into this rich and essential process for yourself and your sons. Take action today! This may just be the greatest gift you ever provide your son, yourself, your family, your community and our world. Are you ready? The choice is yours.
