Brand New Book ***** Print on Demand *****.The Barn at Whippoorwill Hollow Where your Happily Ever After begins! That s what the billboard said, but for Keri Grayson it had failed to deliver. The Barn was a wedding venue owned and operated by Abigail Jones, Keri s grandmother. Both The Barn itself, and Miss Abbie were legends in the small southwestern town of Camden Arkansas. Everyone whispered that Miss Abbie could tell which couples would have a long and loving union and which ones would not. So far her record was near perfect, with the one exception being her own granddaughter. After her career at Morris Pharmaceutical came to an abrupt end, Keri had no choice but to return back home to Grams, The Barn, and the ex-husband she had left behind. Can the magic of The Barn mend the bond that once was broken and give Keri the Happily Ever After it had promised. or will she forever be the one it failed?.
