EnthusiastBooks, United States, 2000. Paperback. Condition: New. Language: English . Brand New Book. While working at GM and afterward as the author of the authoritative Corvette history, Karl Ludvigsen was close to the behind-the-scenes development of Chevrolet's Corvette. As a result, his collection contains many rare and unusual photos of the experimental Corvettes built both for the road and racing - exotic chassis, engines, styling concepts and designs. In this book he opens his files and takes the reader behind the scenes of Chevrolet RD and Design Staff to show the rare and spectacular machines conceived by Bill Mitchell, Zora Duntov, Larry Shinoda and others in the car-crazy Corvette world at GM.
