

## Architecture of the Cocktail: Constructing the Perfect Cocktail from the Bottom Up

By Amy Zavatto

Race Point Publishing. Hardcover. Condition: New. Melissa Wood (illustrator). 144 pages. Dimensions: 7.1in. x 5.4in. x 0.8in. Is it better for a martini to be shaken, not stirred? Does it matter which order you add the liquors to create a Long Island Iced Tea? How many ice cubes can you add to a margarita without compromising the flavor? The perfect home begins with a blueprint and a dream, and your perfect cocktail should start the same way! The Architecture of the Cocktail will reveal the answers to all your burning cocktail queries and more. Focusing on the precise measurements to help you craft the perfect cocktail as well as the recommended garnish and embellishments, you'll no longer have to guess what the perfect cocktail should taste like. Laying out the exact measurements from the bottom of your glass to the top, you'll discover the order which you should layer your liquors, the precise measurements needed, and even recommended brands. Not sure which stemware is appropriate? Consult the mini guide on identifying the correct stemware in the back of the book. Featuring 75 different cocktails and recipes in a unique blueprint-inspired design (including specifications, notes, and embellishments), this is the perfect gift for the cocktail lover...
