Reviews

This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Bloomsbury Publishing PLC. Paperback. Book Condition: new. BRAND NEW, I Saw Ramallah (2nd), Mourid Barghouti, Ahdaf Soueif, Edward W. Said, In 1966, the Palestinian poet Mourid Barghouti, then twenty-two, left his country to return to university in Cairo. A year later came the Six Day War and Barghouti, like many Palestinians living abroad, was denied entry into his homeland. Thirty years later, he was finally allowed to visit Ramallah, the city he had grown up in. A rickety wooden bridge over a dried-up river connects the West Bank to Jordan. It is the very same bridge Barghouti had crossed little knowing that he would not be able to return. I Saw Ramallah, his extraordinarily beautiful account of homecoming, begins at this crossing, filled with its ironies and heartaches. In half bemusement, half joy, Barghouti journeys through Ramallah, keenly aware that the city he had left barely resembles the present-day city scarred by the Occupation - and he discovers in this displacement, that the events of 1967 have made him permanently homeless.
