### **Reviews**

*Complete guide! Its this kind of very good read through. This is certainly for all who statte there was not a worthy of looking at. I am just quickly will get a delight of looking at a composed publication.*  
(Kacie Carroll)

## EVERYTHING UNDER THE HEAVENS: HOW THE PAST HELPS SHAPE CHINAS PUSH FOR GLOBAL POWER

Vintage. Paperback. Condition: New. 352 pages. Dimensions: 8.0in. x 5.2in. x 0.7in. From the former New York Times Asia correspondent and author of *Chinas Second Continent*, an incisive investigation of Chinas ideological development as it becomes an ever more aggressive player in regional and global diplomacy. For many years after its reform and opening in 1978, China maintained an attitude of false modesty about its ambitions. That role, reports Howard French, has been set aside. China has asserted its place among the global heavyweights, revealing its plans for pan-Asian dominance by building its navy, increasing territorial claims to areas like the South China Sea, and diplomatically bullying smaller players. Underlying this attitude is a strain of thinking that casts Chinas present-day actions in decidedly historical terms, as the path to restoring the dynastic glory of the past. If we understand how that historical identity relates to current actions, in ways ideological, philosophical, and even legal, we can learn to forecast just what kind of global power China stands to become--and to interact wisely with a future peer. Steeped in deeply researched history as well as on-the-ground reporting, this is French at his revelatory best. From the Hardcover edition. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
