

Creating a Success Culture: Transforming Our Schools One Question at a Time (Paperback)

By Marjie Bowker

Marjorie Bowker, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.How do we create a school with heart and soul? A place that focuses more on supporting students dreams for the future than getting through a curriculum? What if we change our conversations with students from transactions - which often maintain the status quo - to transformations, where nothing stays the same? The staff of Scriber Lake High School accepted a three-year challenge to imagine these possibilities and develop systems around them. We went on a journey to empower our disenfranchised students using 17 questions designed to bring them back into the center of their own education. This book contains the results of our collaborative effort.
