

## Nollywood Video Film

By Onuzulike, Uchenna

Condition: New. Publisher/Verlag: VDM Verlag Dr. Müller | Nigerian Movies as Indigenous Voice | Nollywood, the Nigerian movie industry, is the world's second-largest producer of films behind Bollywood; Hollywood places third. Nollywood is third among them in the highest-grossing movies. It exploded during the many phases of political turmoil, particularly under the stresses of military dictatorship. This book is an ideal introduction to exploring the impact of Nollywood's utilization of video film to tell Nigerian and other African stories, while also exploring how these video films act as an intersection between Africans and their cultures. Nollywood practically resorted to shooting movies on video format mainly because of the high cost of celluloid. Nigerian movies are deeply rooted in cultural traditions and social contexts that focus on Nigerian community life. Crafted with traditional African idioms, proverbs, costumes, artifacts, and imagery, Nollywood movies are brought to life through common genres such as love and romance, comedy, melodrama, epic, and religion. | Format: Paperback | Language/Sprache: english | 202 gr | 220x150x7 mm | 140 pp.

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

*-- Ally Reichel*

*This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).*

*-- Prof. Kirk Cruickshank DDS*
