THE FATHER THEY WISH TO HAVE THE TRUE ACT OF HUMAN FATHERHOOD AND ITS CONSUMMATION

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 206 pages. Dimensions: 8.5in. x 5.5in. x 0.5in. The book's thesis is clearly presented: fathers will be most effective and of greatest benefit to their children when they understand and embrace the idea that human fatherhood is a vocation and should be a reflection of divine Fatherhood. ----- Exploring the challenges faced by millions of our children in this modern and post-modern world due to father-deprivation or father-absence and lack of true father presence, Faustinus passionately unveils the neglected truth of the psychological pain and trauma in the lives of so many children as an aftereffect. Growing up in dysfunctional families, some children suffer the adverse effects of separation or divorce and/or from the profound misunderstanding of the role and true concept of human fatherhood as a divine vocation that nurtures new human life. Many children have been denied their inalienable right to a true father presence even in a presumed functional family. The purpose of this book is to guide fathers back to the true and original purpose of their fatherhood so that they may recapture once more the essence of true fatherhood as a vocation. Fatherhood is presented in the context of a Christian perspective and understood as complementary to motherhood in nurturing new life, which is a gift of God. ----- ENDORSEMENTS: Faustinus Anyamele has set forth some of the best sentiments about human fatherhood. He has done so through a lens of the universal desire for the leadership of that one man whom generations have found singular with nourishing direction and counsel within an abiding relationship of affection and care. This book will enlighten the reader of yet untapped sources of inspiration for human fatherhood in the Christian tradition. Bishop Joseph Perry J....
