## ARTEMISIA I: NEW AMAZON

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 98 pages. Dimensions: 9.0in. x 6.0in. x 0.2in. Billows of smoke rise aloft and ride along the bluster of the silvery dark. The bruised moon remains far off, unmoved, uncaring, quickly being consumed by a mass of stormy cloud. Rain descends from the lightning-brimmed horizon, hammering the dark surface of the unquiet sea. The naval battle at Salamis is over. The bowels of the ocean shake and begin to swallow the last of the remaining Persian war ships. The sea emits a tremulous roar, as though mimicking a deafening war cry from a time long erased from the worlds memory. Flames sputter in the newly unbridled shaft of seismic wind. Artemisia gazes at the lofty mountain peak upon which Xerxes is seated comfortably on an elevated throne meticulously adorned with gold. The only female naval commander he has now watches him as he maintains a cold distance from the scene of bloodshed. A scene that reeks incessantly of death and defeat. Artemisia imagines the kings shattered smile and the cold void in his eyes. She watches as the servants raise the truncated mass of burnished gold and slowly whisk away the disgraced king to some elusive corner of the world. The servants move the king back into the unblemished security of the shadows, beyond which is a safe passage across the Hellespont and back to Asia. She knows that Xerxes refused to fight on the front lines like the Spartan king. Xerxes preferred to observe the battle from a safe and remote distance, knowing that he could quickly make his retreat if the Persians were defeated. At Thermopylae, he watched the Spartan king fight at the vanguard while he, blissfully aloof from the bloodied and embattled front lines,...
