Where do folks get the idea that Christians have to be meek and mild, silently enduring mistreatment, tolerating anything anybody else does, and timidly standing by while abusers trample all over them and other innocent victims? Since when is it a sin to take a stand and speak out against evil? This is what our abusers want us to believe, and it is nothing but misconceptions and lies. Do you know that God wants us to confront people who do evil? That he tells us to have nothing further to do with those who will not listen to rebuke? That there is no biblical requirement to forgive the unrepentant? In this book, you will learn about family abusers and their Silent Partners, why they abuse us and why we let them, setting and enforcing limits, godly confrontation, The Law of Sowing and Reaping and letting abusers suffer the Natural Consequences of their own behavior, how to tell if a comment is really a criticism, family jealousy and how to detect if a relative is jealous...
