Her understanding of metaphysical law, based in Christian theology, is clearly and profoundly stated in language any one can understand. Readers will experience a personal spiritual quickening while reading Lesson 11 on spiritual gifts. Cady s understanding of desire, its source and manifestation, clarifies the issues and resonates as Truth. This book will benefit any truth-seeker, regardless of religious affiliation; truth is truth in whatever language you understand. Dr. Cady was a physician as well as metaphysician and her book is studied by thousands of Truth students all over the world. It has been translated into many languages and Braille.
