

The Snarktastic Guide to College Success (Paperback)

Filesize: 6.91 MB

Reviews

An exceptional publication as well as the font employed was exciting to see. it was actually writtern extremely flawlessly and helpful. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Dominic Collins)

THE SNARKTASTIC GUIDE TO COLLEGE SUCCESS (PAPERBACK)

Pearson, United States, 2014. Paperback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. For First Year Experience, Student Success, and Introduction to College courses, as well as Student Orientation/Bootcamp. What if you didn't have to force students to read their college success textbook? The Snarktastic Guide to College Success takes an alternative approach as the unvarnished, usually-said-behind-your-back truth about what really matters, straight from college students, alums, faculty, staff, and administrators. And that's exactly what you'll find. So go ahead, assign it -- and marvel as students actually read it. This alternative approach to college success strategies focuses on presenting information in a different tone. In terms of information, this is the sort of advice that students used to have to get from older and wiser fellow students, from TAs feeling exceptionally generous one day after class, or from (horrors!) figuring it out themselves. The trouble with learning these lessons on your own is that by the time you figure it out, you've either nearly or already graduated. This book allows incoming students to figure it out in time to put it to use. And the alternative tone - the snark in Snarktastic - is what makes all that wholesome, mentally nutritious information go down easy, like the chocolate coating on a granola bar. The Snarktastic Guide to College Success recognizes most students respond well to a humorous, informed style, like the Onion (// of textbooks, if you will. Funny, irreverent, honest, and chock-full of useful stuff. It's all here, from choosing a seat on the first day of class to how paying attention to who's wearing backpacks can save a lot...
