

The Ready Reference Handbook of Diseases of the Skin (Classic Reprint)

By George Thomas Jackson

Forgotten Books. Paperback. Condition: New. This item is printed on demand. Dimensions: 9.0in. x 6.0in. x 1.5in. Excerpt from The Ready Reference Handbook of Diseases of the Skin In the preparation of this revised edition every page has been wrefully studied and much new matter incor porated, as shown by the increase in size. The litera ture of Dermatology has been critically examined. New articles have been added upon black tongue, dermatitis Verrucosa or vegetans, keratosis follicularis contagiosa, keratosis senilis, lichen obtusus, melung, pseudo-pelade, and sporotrichosis hypodermica. The old sections on pathology have been revised and new ones added by Dr. S. I. Rainforth. He and Dr. S. Dana Hubbard have furnished some new photographs taken from cases occur ring ia the authors service at the Vanderbilt Clinic. Dr. John A. Fordyce has kindly allowed the use of one of his superb micro-photographs, that of molluscum con tagiosum. The author takes pleasure in acknowledg ing with thanks his obligation to these gentlemen for their assistance. He can ask nothing better for this edition than the same kindly reception that the profes sion has given to the five editions that have preceded it. Reviews

Extensive guideline! Its this sort of excellent read. it had been writtern quite properly and helpful. You can expect to like just how the writer create this book.

-- Mr. Gustave Gerhold

This book will never be straightforward to start on reading through but quite enjoyable to learn. Better then never, though i am quite late in start reading this one. Your lifestyle span will probably be convert once you complete reading this publication.

-- Dr. Kadin Hane DVM
