Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Christian community is divided over the issue of women's equality. This is a unique time in modern history. The church is the last holdout to giving women equality, when it should have been the first to recognize women as equals. Certain religious leaders work to keep women in what they have determined is women's place. The result is that women across all denominations are being restricted even more to certain roles, with female submission becoming the dominant theme in marriages and in the church. This book is a call to action. It lays the biblical foundation for female equality, exposes the myth of biblical manhood and womanhood, and dives headlong into male leadership teaching. Finally, the book leads readers to understand why they must, and how they can, dethrone male headship. Shirley Taylor speaks from her 50 years experience as a Baptist. Revised and Updated, Dethroning Male Headship: Second Edition is written for both women and men of all faiths.
