By Shannon Zemlicka

Perfection Learning, United States, 2002. Hardback. Book Condition: New. Craig Orback (illustrator). 211 x 145 mm. Language: English . Brand New Book. Introducing new readers to some of history's most interesting and important people, these biographies focus on the pivotal episodes that show what kind of person the subject is (or was) and how he or she came to be famous. Although written in a story format, these books are not fictionalized accounts. A chronology of major events follows the story, along with a brief summary of the subject's life. As the Revolutionary War began, Nathan Hale immediately joined up on the side of the Patriots. When General Washington needed a spy, Hale was the only man to volunteer for the job. In the end, Hale lost his life for his beliefs and became a true American hero.
