Haute couture and Paris sights capture Mrs. Claus's imagination--as they would any woman! This charming story finds Mrs. Claus fabulously ensconced in Paris, having enjoyed fashion week and been lured for several months stay by all the sights, scents, and couture of Paris. In the end, Santa takes a quick tour of the City of Light himself--the Eiffel Tower, Champs-Elysees, the Louvre, Tuileries Gardens, Notre Dame, Montmartre and more--to find the satiated Mrs. Claus and whisk her back home just in time to help the elves with the last-minute packing of toys for children all over the world. Betty Lou Phillips is the author of *Emily Goes Wild!*, an illustrated children's book, as well as numerous home design books on French style. Roblyn Herndon is a freelance writer living in Houston, Texas.
