Springer-Verlag Berlin and Heidelberg GmbH Co. KG, Germany, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This volume consists of papers derived from the Ninth International Conference on Studies in Economic Ethics and Philosophy (SEEP), held at Trent University in Peterborough, Ontario, Canada, in June of 2002. Let me take this opportunity to express my appreciation to Professor Peter Koslowski for his original stimulus, encouragement, and continual assistance in making the Conference a success. I would also like to thank my Trent colleague, Professor David Holdsworth, for his steadfast help in the management of the Conference and the papers resulting from it. I am obliged to Mr. Louis Taylor of North George Studios in Peterborough for his expert professional service in preparing the manuscript for printing. Finally, let me gratefully acknowledge the generous financial sponsorship of the Conference by the Social Sciences and Humanities Research Council of Canada, and Trent University's Department of Philosophy and Graduate Centre for the Study of Theory, Culture, and Politics.
