It is a mix of magic and realism, in which one boy changes the world by changing himself with the help of a girl from another dimension. With an inspiring music video on YouTube, the two fight back against a malevolent spirit in the form of a spreading, polluting cloud that threatens all life on earth. The hero, Matt, is a lonely, brilliant sixteen-year-old who learns to connect with his father, nature, and his classmates. He is taught by Deva, a magical girl and her Irish wolfhound that life is more than a head-trip and that compassionate action can make the world safe for all forms of life.
