CAPITAL AND PROFITS (CLASSIC REPRINT) (PAPERBACK)**DOWNLOAD**

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Capital and Profits The object of this book is to make plain the true function of capital and profits and thereby enable the people to reconstruct their industrial system and not fall into worse evils than those from which they ?y. This book also distinguishes between the great movement called socialism and the economic teachings of Marx or Marxism, which unfortunately have infected the whole socialist party but must not, therefore, be regarded as a necessary element of true socialism. A sane and enlightened socialism is doubtlessly bound to come; but the Marxist economics, in the minds of many, is equally bound to go.
