AUTHORHOUSE, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Have you ever wondered what it would be like to be part of the Nativity experience: to have observed the events as they happened? Imagine witnessing Mary's visit by Gabriel, being part of the group that traveled from Nazareth to Bethlehem; kneeling with the shepherds as they worshipped the Christ child; joining Simeon as he rejoiced to see his Messiah; escaping to Egypt and returning to Nazareth . . . and, finally, to be someone who watched Jesus grow up and begin to show himself as Messiah . . . the God/man chosen before time to be the salvation of all human kind. Dr. Mueller takes readers into the thoughts and hearts of the key witnesses to Christ's Nativity. He writes a first-person account that provides readers with a unique historical perspective on the story as it really could have happened. Narratives of the Nativity of Jesus of Nazareth will personalize the events that transformed the world and show readers the humanness of those who were changed because of Jesus.
