Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Save time and money: get the principles of great productivity books for one tenth of the price! In this booklet I ve condensed the information I ve been collecting for the last 3 years of my life. I ve been reading books about productivity, blogs about procrastination and articles about psychology in order to fix my problems with motivation and productivity. I have come to the point in which I can say I ve won that battle. And now, I share my knowledge with you! I ve read Getting things done by David Allen, Checklist by Atul Gawande, Thinking fast and slow by Daniel Kahneman and many more great books. I ve tried to understand what goes on in our mind when we procrastinate, what makes us want to make bad long term choices and what motivates us. I ve applied their principles and I ve tested them in a wide variety of situations. I ve extracted what works and what doesn t, what deserved to become a part of my routine and what did not. I can say I know the best aspects of each book and the best methods there are around to increase productivity and save a lot of time by wasting a lot less. And if you get this book, you will get to know these things, too! Learn about productivity tricks you ll apply for the rest of your life! This is a 4000 words worth book of condensed productivity tips. I ve made it short because I know, people don t have time to go through pages and pages of books they will find, in the end, difficult to apply in real...
