MUSEUM SPACE: WHERE ARCHITECTURE MEETS MUSEOLOGY (PAPERBACK)

Taylor Francis Inc, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Museums are among the iconic buildings of the twenty-first century, as remarkable for their architectural diversity as for the variety of collections they display. But how does the architecture of museums affect our experience as visitors? This book proposes that by seeing space as common ground between architecture and museology, and so between the museum building and its display, we can illuminate the individuality of...
