There are stories about my childhood all the way up until early 2014. I have stage 4 cancer and also live with Bi Polar disorder. There are some graphic stories about things that have happened to me involving my Bi Polar disorder. I do not talk about all my family members or friends I just use the ones that are directly involved in my tales. (Some content is graphic and this should not be read by children.) All names have been changed as well. It is a short read but should be interesting.
