IPHIGENIE EN AULIDE (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****.Representee pour la premiere fois a Versailles le 18 aout 1674, Iphigenie marque le retour de Racine a des themes mythologiques apres une serie de sujets historiques (Britannicus, Berenice, Bajazet, Mithridate). Sur les rivages d Aulis, les Grecs se preparent a aller attaquer Troie. Mais ils ne peuvent atteindre Troie, car les dieux retiennent les vents necessaires au depart de l expedition. Agamemnon, leur chef, est donc contraint de consulter l oracle Calchas, qui lui ordonne de sacrifier sa fille, Iphigenie, afin d apaiser la deesse Artemis. Dans le chaos provoque par les indecisions d Agamemnon, Iphigenie se soumet aux volontes de son pere. Ambition d Agamemnon, desir de gloire d Achille, orgueil de Clytemnestre, jalousie d Eriphile: la piece donne a voir des passions dechainees qui, toutes, font d Iphigenie leur victime. Comme chez Euripide dans Iphigenie a Aulis, le personnage le plus fort moralement n est pas Agamemnon, chef pusillanime, mais Iphigenie, qui pousse le respect filial et le patriotisme jusqu a accepter la mort.
