Excerpt from Program of Conditions and Instructions to Govern a Competition to Be Held for the Purpose of Selecting an Architect for the Library and Courts Building and the Office Building for the State of California to Be Erected in the City of Sacramento The Department of Engineering was created by an act of the Legislature of the State of California, approved on March 11, 1907. Section 1 of the contract law of the State Department of Engineering, approved June 8, 1915, provides that Whenever provision is made by law for the erection, construction, alteration, repair or improvement of any State structure, building, road, or other State improvement of any kind, excepting improvements on the property of the State on the waterfront of the City and County of San Francisco under the jurisdiction of the Board of State Harbor Commissioners, the total cost of which will exceed the sum of \$1,000.00, the same shall be under the sole charge and direct control of the Department of Engineering. Section 11 of the Department of Engineering law, approved May 19, 1915, is in part as follows: All architectural work of the Department shall be under the charge of the State Architect. When, however, it shall be deemed to be for the best interests of the State, the Board of Control, with the approval of the Governor, may require and arrange for public competition, and in all such Competitions the Board of Control with the approval of the Governor and with the advice of the State Architect, may prescribe the schedule of prizes, the total of which, exclusive of the fee of the winner, shall not exceed one per centum of the amount appropriated...
