Sterling Publishing Co Inc, United States, 2008. Hardback. Condition: New. Language: English . Brand New Book. Dorothy Kunhardt s Pat the Bunny is a children s classic, with millions of copies sold. It s inspired numerous spin-offs for both kids and adults--but none as wickedly amusing as this clever interactive book! Every wife, girlfriend, and woman who hopes to be one will treasure it, and have endless fun playing with the lift-the-flap, touch-and-feel, pull tabs, and other highly designed elements. It slyly questions who wears the pants in the family, and lets women humor their men by removing the Velcro pants from the female figure and putting it on the male. Or, eager to have hubby say yes to your request? Then just use the tab to make his head nod! Since all men are really little boys at heart, what better way to celebrate (okay--roast) their peccadilloes than with a kids book format? Pat the Husband takes amusing aim at the oddities of guys everywhere, making it the perfect gift from girlfriend to girlfriend, as well as for bridal showers and anniversaries. Every wife will recognize the humor in the quirky characteristics played out about husbands everywhere -- and find a reason every day to sneak a peek and pat!.
