Woman the Hunter (Paperback)

By Mary Zeiss Stange

Beacon Press, United States, 1998. Paperback. Condition: New. New edition. Language: English . Brand New Book ***** Print on Demand *****.Woman the Hunter juxtaposes unsettlingly beautiful accounts of the author's own experiences hunting deer, antelope, and elk with an argument that builds on the work of thinkers from Aldo Leopold to Clarissa Pinkola Estes. Exploring how women and men relate to nature and violence, Mary Zeiss Stange demonstrates how false assumptions about women and about hunting permeate contemporary thinking. Traditionalists and feminists alike view hunting as a symbol for men's activity in the world - ignoring the reality of women hunters now and in the past. In fields from anthropology to religion and in movements from environmentalism to feminism, women are often seen as nonviolent and allied with the natural world; men as aggressive and alienated from nature. By bringing Woman the Hunter back into the spotlight, therefore, Stange upsets basic assumptions across the political and intellectual spectrum. Woman the Hunter also challenges the notion that human beings - male or female - are separate from nature, an idea reflected in the environmentalist impulse to keep wilderness safe from people. If instead we see people as part of...

Reviews

I actually started looking over this publication. It really is rally interesting throgh studying period. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Dana Hintz

Good electronic book and valuable one. It really is basic but unexpected situations in the 50 percent in the pdf. You wont really feel monotony at at any moment of your time (that's what catalogues are for concerning when you ask me).
