Gareth Stevens Publishing, United States, 2017. Paperback. Condition: New. Language: Spanish . Brand New Book. Rulers seem like such simple tools, but their importance cant be overstated. Without rulersand the knowledge of how to use themso many inventions, buildings, and other man-made achievements would just fall apart. In this volume, readers will review the basics of rulers and observe them being used by young student-scientists as well as by professionals in the working world. Theyll even test out their own ruler skills as they find out that rulers rule the world of science!.
