Handbook to the National Portrait Gallery, 1872 (Classic Reprint) (Paperback)

By Dublin Exhibition of Arts

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Handbook to the National Portrait Gallery, 1872 Portrait painting may be said to stand at the head of all the various departments of painting. Of these it is the most difficult, because the most intellectual; but in its results is the most satisfactory. The historical painter arranges his groups, dresses, and incidents according to correct authorities, and trusts to a bold fancy or to the suggestions of friends for a judicious disposition of his characters. The painter of genre obtains his situation or incident, also by suggestion; and as the little scene tells its own story on the canvas, the painter is so far assisted. Landscape painting, indeed, if the artist goes beyond mere imitation of trees, and fields, and skies, requires a higher intellectual operation; namely, the discovering the moods and humours of nature, the mystery which gives the charm to some landscapes, which is independent of sunlight or shadow, with other influences to which the undefined poetry of the scene is owing. This piercing behind the veil to read the mind of nature is a high, intelligent operation, but...
