Forgotten Books, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Your Part in Poverty This book was written at the time of the Church of England Mission of Repentance and Hope - a fact which dates some of the reference in the text, but does not necessitate any modification in the argument. In sending out a new edition of it, I would like readers to remember that it was written mainly to help Christian people to understand what a Socialist member of the Church of England means by Socialism, and also to explain why an agitator like myself believes religion must play an important part in the social and industrial redemption of the world. It ha been urged against me that I have produced no statistics, evolved no scheme of reconstruction. This is true. Of books of statistics and scheme of reconstruction there are no end; they come pouring out from the printing presses in a steady steam day after day.
