## Lean Management Explained

---

By Can Akdeniz

Createspace, United States, 2014. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Implementing a lean business philosophy can transform an organization, bringing with it huge benefits in terms of reduced operating costs, decreased lead times, and increased customer satisfaction, along with a marked improvement in employee morale, customer loyalty, and quality of products and services. The lean business model - while originally developed within the US and Japanese automotive manufacturing industries - has proven its worth time and again in every field imaginable - from retail and manufacture to central government administration. The right management is crucial for lean companies. As we shall see, lean is not just a set of tools that can be applied to any situation to reap rewards. Lean management involves taking a holistic approach to developing a specific culture throughout an organization - and a lean business culture can only be achieved if everyone buys in. A lean manager must, guide, coach and inspire - but beyond this they must be open and ready to learn on every step of their journey of continuous improvement. This book will explore in more detail the specific role...
