### **Reviews**

*This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.*  
*(Juliet Mertz)*

## FORBIDDEN ISLAND (PAPERBACK)

Breakneck Media, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. SEEKING TO CONTACT HUMANITY'S LOST TRIBE. On the precipice of a cliff, contemplating suicide, dishonorably discharged U.S. Army Ranger, Rowan Baer, is invited to provide security to a research team visiting the most dangerous island in the world--North Sentinel Island in the Sea of Bengal. Seeking redemption, he accepts. Living among Amazon rainforest tribes, eccentric Israeli anthropologist, Talia Mayer, is recruited to study the island's elusive inhabitants--the Sentinelese--who have resided on the tropical island since the dawn of mankind. Seeing the chance of a lifetime, she joins the team. On the run from his past, Palestinian linguist, Mahdi Barakat, is given little choice: join the expedition and make contact with the Sentinelese, or be left to face the men tracking him down. Afraid for his life, he finds safe harbor halfway around the world. As part of an expedition funded by the Indian government and supported by a local resort millionaire, the team struggles to make contact with the Sentinelese, a tribal people renowned for their violence, strange behavior, and mysterious ways. But when the expedition's yacht strikes a reef, and sinks, the team finds themselves stranded on an island few people have ever set foot on and survived, an island that they quickly discover is home to far more than primitive tribal people. .THEY UNCOVER THE VERY SOURCE OF EVIL. Jeremy Robinson has been compared to both Matthew Reilly and Stephen King, and with Forbidden Island, he brings the characters and plotting of the fastest paced thrillers together with mind-bending horrors of which only an imagination like Robinson's can conceive.
