By Nassim Nicholas Taleb

Random House USA Inc, United States, 2008. Hardback. Book Condition: New. Updated. 239 x 173 mm. Language: English . Brand New Book. Fooled by Randomness is a standalone book in Nassim Nicholas Taleb s landmark Incerto series, an investigation of opacity, luck, uncertainty, probability, human error, risk, and decision-making in a world we don t understand. The other books in the series are The Black Swan, Antifragile, and The Bed of Procrustes. Now in a striking new hardcover edition, Fooled by Randomness is the word-of-mouth sensation that will change the way you think about business and the world. Nassim Nicholas Taleb veteran trader, renowned risk expert, polymathic scholar, erudite raconteur, and New York Times bestselling author of The Black Swan has written a modern classic that turns on its head what we believe about luck and skill. This book is about luck or more precisely, about how we perceive and deal with luck in life and business. Set against the backdrop of the most conspicuous forum in which luck is mistaken for skill the world of trading Fooled by Randomness provides captivating insight into one of the least understood factors in all our lives. Writing in an entertaining narrative style,...
