Plain View Press, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Book of Sins is a captivating story that portrays the ravages of the capitalist system and its co-optation of the male-dominated Catholic Church. Through the lives of several working women, O Gorman captures the creative struggle of the poor for their own voice. Together, these women challenge the power structure of interlocking church, business, and legal authorities. O Gorman skillfully portrays the capitalist system s worship of profit, the failure of the Catholic Church to challenge the collapse of the social contract and the costs of privatization. This is a story of loss and the redemption that comes from solidarity and organizing. A wonderful resource for labor organizers and faith-based communities. Eileen Purcell, Union Organizer, San Francisco, California O Gorman has imagined a future in which capitalism has bought out Christianity, where women have to gather secretly to study The Bible and remember its revolutionary lessons of compassion and non-violent resistance. Like all good dystopian novels, The Book of Sins asks us to consider what will happen if present trends continue, and her fully-realized characters cause us to question our own complicity in those trends. Susan Neville, author of Sailing the Inland Sea: On Writing, Literature, and Land O Gorman s characters make us slow down and think about the not-so-distant future - the year 2034. Her characters remind me of people I know. Their struggles and conflicts seem familiar. She skillfully builds awareness of an authoritarian structure that dominates her characters lives, giving me a sense of regret that an earlier generation didn t succeed in resisting the fascists of their time. Kathy Kelly, Co-Coordinator of Voices for Creative Nonviolence, Chicago The Book of Sins by Angie O...
