Whole Child Wellness, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Every parent wants to see their children happy, successful, and most of all, healthy. Often times, however, ensuring that a child has the best chance at a healthy life can be out of the parents hands. Developmental delays have long been viewed as something that parents have to handle as they happen; however, Dr. Amber Brooks, a Board Certified Pediatric Chiropractor has news that will change all that. 15 Things Your Doctor Doesn't Know About Your Child: Questions Answered About Developmental Delays is a remarkable new book by Dr. Brooks, DC, CACCP that helps parents understand how developmental delays can be caught early and even treated when found. Through outlining problems and symptoms that are often ignored by other doctors, the book points to things that can later be the root cause of the delay. Regardless of what stage you may be in with your child, this book will show you how to properly navigate the obstacles inherent with healing. By being proactive early on, this enlightening book teaches parents how to be informed and most of all, empowered to heal their children. This inspirational book is filled with real life examples and the medical basis and philosophies involved with their treatments. Spanning multiple diagnoses and all of their respective symptoms, Dr. Brooks, DC, CACCP lays out the information in a way that parents can truly understand and connect with the book. With an easy to read and comprehensive approach, 15 Things Your Doctor Doesn't Know About Your Child appeals to parents and doctors alike, while eliminating the need to read between the lines. Inspired by the huge void in medical and alternative models, the book combines the best of...
