CASCADE BOOKS, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.But will it preach? The only good answer to this question often asked about a Christian theology is to preach it, which is to say, to preach according to it, to what it indicates, reflectively and critically, valid Christian preaching ought to be. This volume of selected sermons and homilies documents a career-long attempt to do exactly that. Concerned at once to be faithful to the Christian witness and to speak intelligibly and credibly to women and men here and now, it represents the way of preaching, and so directly calling for a Christian commitment, that is of a piece with the distinctive way of doing Christian theology set forth and argued for in Schubert Ogden's other books and articles. This is why each sermon or homily seeks so to interpret its scriptural text as to bring out its existential meaning for understanding ourselves and leading our lives as human beings today. It is also why each of them, in its way, directly puts the question of decision raised by Christian faith. Thus, together with its companion volume, To Teach the Truth, this book offers a model for bearing witness to the truth as Christians understand it. Schubert Ogden burst on the academic and church scenes in the early 1960s. He quickly established himself as a major Christian theologian whose main purpose was to identify and share the truth about God. In this book, he continues that task with a remarkable series of sermons which uncover and share the depths of his chosen biblical texts with passion, accuracy, and the carefulness of a disciplined scholar. --James M. Wall, former editor of The Christian Century If I were still teaching preaching in a seminary...
