Brand New Book ***** Print on Demand *****.Excerpt from Comparative and Rational Christian Science If God should select you to deliver a message to his people, -what would you do with the message? Would you give it to the people as instructed, or keep it your self and copyright it, and sell it to the good people who thirst after Truth, charging them exorbitant prices? When you find. Any cult claiming to have a special revelation, which is the only truth that God has given his people, it is pretty safe to class them with impostors, but if you discover that they are using religion as work ing capital for accumulating wealth, then you can very easily render a decision. People who have never in vestigated the laws and power of suggestion are often misled when they learn of cures being effected by the different cults.
