AN INTRODUCTION TO CHANGING INDIA: CULTURE, POLITICS AND DEVELOPMENT (PAPERBACK)

[DOWNLOAD PDF](#)

Anthem Press, United Kingdom, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. An Introduction to Changing India: Culture, Politics and Development provides a comprehensive view of today's rapidly changing India in a way that is both reader-friendly and scholarly, without requiring prior knowledge on the subject from its readers. It investigates Indian culture, politics, economics and technology, as well as population and environmental issues. Gender issues are also discussed throughout the book. The authors provide a balanced picture of the emerging India's many triumphs, as well as its lingering problems and the ongoing battle for more inclusive growth. By drawing on anthropological fieldwork in rural and urban India, the authors give ordinary Indians a voice by exploring their aspirations for change, while also describing macro-level changes. The study draws from extensive reading of research reports and fieldwork by the authors, who have carried out anthropological research on kinship, gender issues, politics, class and caste, population issues and the appropriation of information technology in India since the 1990s.
