COMBAT INVESTOR: REAL ESTATE INVESTMENT WARFARE GUIDE (HARDBACK)

AUTHORHOUSE, United States, 2013. Hardback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. Turf. Space. Territory. For thousands of years it s been worth fighting for, sometimes at all costs. Today, real estate remains one of the most coveted investment targets, and combat tactics are often necessary for financial victory. Real estate investing investing is financial, not military warfare. In the investment battlefields winners build war chests through territorial expansion. Losers retreat, surrendering land holdings. Military battles and real estate investing share the same goals and apply comparable techniques for building wealth and power. Investors who understand and apply proven warfare principles to real estate investing become the ultimate financial warriors. Combat Investors. Combat investing shapes you into a personal weapons system -- an effective combination of your personal operating style, financial capacity, and risk tolerance. You deploy elements from your investment arsenal, acting like a jet fighter, a tank, a bomber, a helicopter, an aircraft carrier, or a submarine. You know when to attack investments at close range (tank) or access hard-to-reach properties (helicopter). Different targets with different swag. That s the beauty of combat investing, the blending of the warrior spirit with real estate smarts. No right answer or personal style, just the hunger to succeed. Combat Investor: Real Estate Investment Warfare Guide is written with this principle in mind, teaching you to become a financial land mind by: Honing your land-grabbing instincts Providing a formula for a successful war chest, with techniques on assessing capital risks, measuring your thirst for competitive battle, and identifying your individual combat investor style Targeting battlefields based upon locations and property types Training you to fight in current and future investment battlefronts according to proven military tactics for striking profitable targets If you re starting to see real...
