AFTER THE ALTAR CALL (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The greatest enemy of any new believer in Christ is themselves. We often over think salvation and what it means to be a Christian. When we accept Christ as our personal Lord and Savior, we seek to save the whole world in a day. We easily forget that there is a force of evil that is waiting for us the very second we exit the church doors and head to our vehicles. At the altar we don t account for the hundreds of emotions or the way our families will receive us, at that time we are only seeking a change that will free us from the bondage that is eating away at our very souls. The ride home lends to hundreds of emotions; happy, sad, grateful, lonely, scared, joy, freedom etc. the author tries to encourage the young believer before approaching family and friends that they may be ready for the let down of being rejected and shunned. We love to feel accepted because of our choices, but more times than not, a believer has to learn how to accept rejection and even humiliation for the sake of a relationship with Christ. A believer, no matter how young or old has to become satisfied and find comfort in a...
