

## Four Corners: Destination Map

By National Geographic Maps

National Geographic Maps, United States, 2015. Sheet map, folded. Book Condition: New. Revised/Waterpr.. 229 x 99 mm. Language: English . Brand New Book. National Geographic s Four Corners Region DestinationMap strikes the perfect balance between map and guidebook and is ideal for a wide range of travelers. The Four Corners Region is the only place in the United States where four states intersect at one point: Arizona, Colorado, New Mexico and Utah. The map guide seeks to contribute to the economic health of communities in the Four Corners Region by promoting geotourism: tourism that sustains or enhances the geographical character of a place its environment, culture, aesthetics, heritage and the well-being of its residents. The front side of the Four Corners Region DestinationMap reveals a map of the region spanning from Dixie National Forest in southeastern Utah; to Great Sand Dunes National Park and Preserve and San Isabel National Forest in southwestern Colorado; to Santa Fe National Forest and Cibola National Forest in northwestern New Mexico; to Coconino National Forest in northeastern Arizona. At the center of the map is the Four Corners Monument, where visitors can stand on the only spot in the United States where four states meet....
