

## Knowledge and Discovery: A Strategy Manual for Undergraduate Students Seeking Research Experience in the Natural and Clinical Sciences

By Mr. Jeremy Y. Ng

Jeremy Y. Ng. Paperback. Book Condition: New. Paperback. 214 pages. Dimensions: 9.0in. x 6.0in. x 0.5in. Imagine partaking in an activity that allows you to gain experience beyond the traditional framework of an undergraduate career, where instead of only acquiring knowledge, you are creating it, and instead of only learning about discoveries, you are making them. This is what it is like to be an undergraduate researcher. This opportunity is very unique as many undergraduates who involve themselves in research develop valuable practical skills that cannot be learned through any university course, priming them for future success. It is for this sole reason, that you are encouraged to experience research at the undergraduate level, for it is always the case that there will be little to lose and far more to gain. In this manual, you will find 12 comprehensive chapters outlining everything you need to know about undergraduate research, an activity that arguably has the potential to provide you with more academic success and advancement opportunity than any other undergraduate pursuit. This book has been specifically written so that it can be read sequentially or separately based on your level of experience and reading preference. The beginning chapters provide you...
