

Marketing Battleground: How to Deploy Under-The-Radar Strategies to Explode Your Profits

Filesize: 7.31 MB

Reviews

This pdf will not be simple to start on reading through but extremely enjoyable to see. I have read and i also am sure that i will planning to read through again once more in the foreseeable future. You wont really feel monotony at whenever you want of the time (that's what catalogues are for relating to if you request me).

Colossus Publishing, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Avoid anti-marketing countermeasures that threaten to stifle your profits. Dispatch a squadron of powerful solutions that fly under-the-radar of your competition. It s as if the author broke into the business secrets vault of the Pentagon, the CIA, and the Department of Defense, and then chose to share the secrets of gaining explosive, long-standing profits. From Stealth Marketing to CIA - Reconnaissance to Becoming a Superpower - you will be surprised at the simple to follow, critical strategies and principles divulged within these pages. Who this book is for - Savvy, open-minded people who want to improve upon foundational principles and discover new ideas that can be launched immediately. Who this book is not for - Anyone that is looking for the next, shiny new object, highly technical advice, time-wasters, or ego-boosting-advertising waste. **A quick note from the author** Many books that I ve read, workshops I have attended, and businesses that I ve researched, are doing and saying the same things - plus or minus 10 percent. A slew of entrepreneurs who I have met are frustrated and willing to do something different - if they just knew what to do. My experience during consulting days, along with what I have read in hundreds of marketing and business books, is what prompted me to write this book. I want to offer something different. The phrase, under-the-radar is used in the title because much of what you will read in this book - if you implement these ideas - will fly under-the-radar of your competition. If you have competitors who are outperforming your business and you can t figure out why, it could be because they are...
