SYNOPSIS Imagine, losing all of your money and personal assets from a lawsuit or the willful actions of another person s negligence. If you want to protect your millions of dollars or your hard-earned assets from lawsuits, negligence or malice of other people, then this book is a starting point for you! Persona Finance for Beginners Guide to Insurance has useful, comprehensive information on personal insurance needs for individuals and is not only helpful to the beginner, but also to the expert. This isn t a personal finance book for dummies, it is a personal finance book for people who want to get smart with their personal finances and protect themselves and their personal assets. The book is more simplified to read than a personal finance textbook and it gets straight to the point with the various topics that are discussed inside of this book. This book compiles a list of personal finance insurance tips not only helpful to the beginner, but also to the expert. The methods and techniques discussed and described herein are fairly easy to understand...
