Tai Lor Made Books, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. It s Hard Keeping One Person Satisfied.Less Knowing Two! The Romance Gets Messier the Second Time Around Kayla is flexing her grown and sexiness along with her hot, new love interest. She has finally started to get everything on track as planned. She is living what she considers a normal life and all of the deception, betrayal, and violence had subsided, or so she thought. It seems as if every time Kayla attempts to close a chapter in her life, someone from the past reopens it. The sex, lies, and drama follow Kayla like a plague. Her newest temptation, Bryan is a beast at his best. .Truly Worth Reading!!! I read this without reading the first book, however, this book has its own story to tell. Nataisha has a beautiful writing style. There are abuses thrown in here and there, the story has its share of adult content as well, yet, they do not overpower the storyline. Reading the story was like watching a hollywood production. Get Your Copy Today!.
